All our goods are supplied subject to Heskins Ltd Terms and Conditions (revised 2014) These are available on request or they can be downloaded from our website: http://www.heskins.com/images/pictures/pdfs/heskins-supply-of-goods-terms-and-conditions.pdf

Heskins is proud to manufacture a wide range of high performing and extremely durable non-slip tape products. Our products will ship free of material and manufacturer defects and in conformance with the specifications of your order. The lifespan of our products depends greatly on proper installation, maintenance and each consumer's unique application. Accordingly, it is the consumer's responsibility to determine if this product is suitable for its specific need. Heskins sole obligation shall be to replace or repair product that is received with a manufacturer defect. Moreover, Heskins shall not be liabile for any injury, loss or damage including, but not limited to, specific, compensatory and consequential damages arising from the use of this product
